

2009 "QUAKE ON THE LAKE"
RAINBOW CONNECTION WISH CHILD

"PRINCESS" ALYSSA

Alyssa is a very special four year old girl who just loves to be the princess!

On the day "Princess" Alyssa was born, her proud parents -- Jeff and Kristy -- learned that their beautiful baby had Tricuspid Atresia. This life-threatening heart disease has been a part of all their lives ever since, and Alyssa has fought each day against all odds.

Still she loves to dance, ride her bike and watch "Dora the Explorer". Her favorite colors are pink and purple, and she enjoys coloring.

What Alyssa enjoys most of all though are princesses! Thanks to the **2009 "Quake on the Lake" and your generous support**, Alyssa will have her dream come true when she and her family go on a dream trip to Disney World. Special arrangements are planned for Alyssa to have tea with the Disney Princesses and wear her very own princess dress.

The 10th Anniversary Celebration of the "Quake on the Lake" APBA Inboard Hydroplane Races featuring the Eastern Divisional Championships sails on July 17, 18 and 19th at the Pontiac Lake Recreation Area in White Lake / Waterford Townships ... the heart of Oakland County!

Plan now to join the celebration and help us make "Princess" Alyssa's dream come true!
